PUBLIC NOTICES

IMPORT TRADE CONTROL

New Delhi, the 23rd August 1967

SUB. —Revalidation of Import Licences.

No. 91-ITC (PN)/67.—In view of the indigenous angle, it has been decided not to grant licences to any category of importers (including applicants under the erstwhile Export Promotion Schemes and the National Defence Remittance Scheme) for the import of the items listed in the annexure to this Public Notice.

2. It has also been decided that in the case of licences already granted, permitting import of any of these items, and if such licences are revalidated hereafter, the licensing authority will make a suitable endorsement on the licence at the time of revalidation to the effect that the extension in the period of validity of the licence will not be applicable to the import of these items.

SUBJECT.—*Import of certain essential spare parts of machinery from U.S. subject to U.S. Aid conditions.*

No. 92-ITC(PN)/67.—It has been decided to consider applications for import of certain essential spare parts of machinery from U.S.A. subject to U.S. Aid conditions. A list of such spare parts is annexed to this public notice.

2. Under this policy, applications will be considered from all categories of importers, i.e., actual users, established importers and others, provided they have obtained and utilised the import licences for spare parts under the Ministry of Commerce Public Notice No. 86-ITC (PN)/66, dated 23-6-1966 and Public Notice No. 117—ITC (PN)/66 dated 16-8-1966.

3. In the case of eligible applicants, the import applications will be considered for the grant of licences for a value not exceeding 7½% of the total value of spare parts imported by the applicant from U.S.A. against licences issued under the above-mentioned Public Notices dated 23-6-1966 and 16-8-1966. The licences will be valid for import of spare parts, listed in Annexure I to this Public Notice, for import from U.S.A. subject to U.S. Aid conditions as laid down in the Ministry of Commerce Public Notice No. 115-ITC(PN) /66 dated 11-8-1966 as amended. It will not, however, be open to a licensee to import any single item out of the permissible list for a value exceeding 10% of the face value of the licence. The import of items shown in Part 'B' of List III in Appendix 26 will be allowed upto an aggregate value of 1% of the face value of licence.

4. The applications for import licence under the provisions of this Public Notice should be made to the regional licensing authority concerned in the usual form and manner. The applications should also be accompanied by documentary evidence, showing imports made from U.S.A. against the licences issued to the applicant under the above-mentioned Public Notices dated 23-6-1966 and 16-8-1966. Such evidence should be 'bill of entry, invoice, and the licence in original against which the import has been made'.

5. Import licences issued to actual users under this policy will be subject to the usual conditions regarding use of the imported materials by the actual user in his own factory/undertaking.

6. There will be no last date for submission of applications for import licence under this Public Notice.

7. The import licence issued under this Public Notice will be marked "N. Q. Q.", i. e., the imports made thereunder shall not qualify for establishment of refixation of quotas.
